

ENRICHMENT PROGRAM – FALL/WINTER 2018-19

This program has been in existence for over 25 years. This program is run in a group format once per week from September to April. For the lower level this is an excellent program to enhance basic edge and turn development as well as jump and spin technique. It is recommended that you start in this developmental program as early as Star

2. For the higher level the focus is on a technique and difficult steps and turns as well with a stronger focus on using music. The number of weeks and the number of seminars is dependent upon the funds available. Besides the regular weekly sessions, we try to bring in guest coaches or elite skaters from other areas for special seminars.

Coaching and seminar costs for this program are included in the fee.

The seminars usually run during weekdays in the morning and afternoon.

Low Competitive – Passed Star 1 Freeskate – Wednesday - 3:25 pm – 4:20 pm Cambrian

High Competitive – Eligible for the SSC Senior Session – Thursday - 3:30 pm – 4:25 pm Cambrian

****September times will vary – Monthly calendars will be posted on the website****

Seminars will be scheduled when seminar leaders are available. The City has the right to cancel ice time due to tournaments and special events. Check your monthly schedule regularly for any changes. **All changes throughout the year are sent by email.** Times and days may change to accommodate the Spring School schedule. A skater who moves to the higher session during the season does not automatically move up in this program as well. You will be placed in the low or high session at the discretion of the program coaches. Skaters from all skating clubs are welcome to apply.

Fee (includes ice, lessons and seminar costs): September to April - **\$600 per skater**

Payment as follows: \$600 with registration, or \$200 with registration and \$100 postdated cheques (Nov 1, Dec 1, Jan 1 & Feb 1). Full fee including postdated cheques must be handed in at registration or skaters will not be allowed on the ice.
